

ENVIRONMENTAL MONITORING

Earn your certificate and become an Environmental Technician through our community-based program

bluequills.ca/Programs/Science/Environmental

WHY THIS PROGRAM?

- Learn the skills to begin an environmental career.
- Hands-on training using Indigenous knowledge balanced with Western science.
- Instructors are professionals actively working in the environmental field, with experience in various public and private sectors.
- Courses have transferable credits, meaning graduates can continue their education after the program at Blue Quills or another Post-Secondary.

REQUIREMENTS

- Minimum 18 years of age as of the first day of classes.
- Grade 10 English and Math or equivalent.*

*includes GED or Placement Assessment.

DETAILS

Deadlines

- **Registration Deadline: January 12, 2023**
